

## 2024-2025 Academic Year

The parent & student handbook is updated every academic year. Minor updates and changes to the family handbook may occur throughout the school year.

Every year parents are required to read and acknowledge the Parent & Student Handbook.

The parent & student handbook contains:

- General school information
- School safety & security
- Health & wellness policies
- Parent communication & partnership
- Campus specific policies & guidelines
- Attendance policies
- Student code of conduct
- Academic & technology policies

The Parent & Student Handbook can be viewed online by visiting <https://www.rhoadesschool.com/parents/parent-information/> (see link found in “Forms & Handbooks” section at the top of the page). Please sign this form to acknowledge that you have read the Parent & Student Handbook.
