

We are excited to announce that we adopted ParentSquare for school-to-home communication at The Rhoades School for all campuses.

ParentSquare is designed to keep parents informed and facilitate participation at school. It provides a safe way for the school principals, teachers, staff, and parents/guardians to:

- Send and receive school and class information
- See calendar items
- Send and receive emergency notifications (sent to all accounts regardless of notification settings)
- Additional features will be added as we grow the system

[Parents – Getting Started video](#)

Once your account is activated and you are signed in, you will be able to access other resources to learn more about ParentSquare and manage your account settings to adjust your notification preferences. Notifications can be sent to your computer or phone via email and/or text and you can download the free ParentSquare App. The message frequency can also be customized to receive messages (instant, digest, or off) for the different methods.

[Parents & Guardian Resources](#) (you must login before viewing resources)

Inactivated accounts will receive notifications instantly. Notification frequency can be changed (instant, digest, off) once the account is activated.

The Help & Support question mark in the top right corner can also help answer most of your questions.

If you have not received an email invite to join the Rhoades' ParentSquare and would like to join, please email kkelley@rholdesschool.com.
